

2024-25 Fraternity Dining Plan Options

Greetings from Dining Services!

According to the Office of Fraternity and Sorority Programs, you are pledging a university-recognized fraternity. Your fraternity may offer an in-house dining package. However, as a first or second year student, you are required to purchase a Tulane University dining plan. Purchasing a dining package through your fraternity does not exempt you from the University's mandated dining plan. The university offers a special fraternity dining plan. You are not required to change from your current selection to Fraternity Dining Plan.

Dining Plan Options

Option #1: You can remain in your current dining plan selection. No other action is required. No additional cost to remain on your current dining plan (\$4,055).

Option #2: Change your dining plan to the Tulane Fraternity dining plan. This dining plan includes 5 meals per week in the meal swipe locations and 50 Extra Meals for \$2,135. This plan does not include Wavebuck\$ or NOLAbuck\$. You can purchase these as add-ons throughout the semester. When reducing your dining plan to the Tulane Fraternity dining plan, you will be billed for Wavebuck\$, NOLAbuck\$, Extra Meals, used and a \$25 change fee.

Please take notice...

- You must be on the list of approved new members provided by Office of Fraternity & Sorority Programs to be able to change your dining plan.
- You must change your dining plan in person at Campus Services, located in the Lavin-Bernick Center, Suite 107. **Dining plan changes are due: Wednesday, Sept. 11, 2024 for fall 2024 semester and Wednesday, Feb. 5, 2025 for spring 2025 semester.** No exceptions.
- Dining plan changes during this time period are only available to those students who are actively pledging a fraternity. If you de-pledge, you will be auto-matically re-enrolled in your original dining plan.
- Students pledging a non-sanctioned fraternity are not allowed to change their dining plan to the Tulane Fraternity dining plan.
- Charges and/or credits will be applied to your accounts receivable. If you have no outstanding charges on your account, you may request a refund through the Accounts Receivable department.
